

PRODUCT INFORMATION

Series	: ZK713X
Backing	: Heavy X-weight PES backing
Bonding	: Resin over resin
Grain / Coating	: Zirconia Alumina
Grit Range	: 24 – 120
Manufactured Width (in)	: 58
Abrasive Types (Forms)	: Narrow and wide belts, discs
Raw Material	: Anti-corrosion and heat resistant steel, forged steel, ferrous metal, chromium and nickel alloys
Workpiece	: Flat pieces, tubes, cases, forged parts, welded parts
Sanding/Grinding Operation	: Contact grinders, centerless grinders, portable plate grinders, flat grinders
Market Segment	: Metalworking industry and craftsmen
Advantages	: <ul style="list-style-type: none">• Extended lifetime• Aggressive cutting power• Cool cut
